

# MICRO PVP™

## SUPPLIER PROCESS

### RECEIVING CATTLE

#### All Cattle and Cattle from MICRO PVP:

- Complete Receiving Document within 30 days
- Count cattle within 3 days
- Check for visual or EID tags
- Upload EID numbers to Micro Beef

#### If from Other PVP/QSA, then:

- Obtain age verification records from PVP or QSA
- If not EID tagged, apply new EID tags

#### If Back Verification, then:

- Ensure cattle were shipped from ranch of origin
- Complete Back Verification Audit Request
- If not EID tagged, apply new EID tags

#### Cattle Are NOT Age-Verified Until:

- Animals are tagged with EID tag
- Age is verified with calving records
- Cattle have been approved by Micro Beef

### FEEDING CATTLE

#### If An Animal Loses a Tag:

- Lost EID tags must be replaced prior to shipping
- Complete Retagging Document

### SHIPPING CATTLE

- Count cattle approximately 10 days prior to shipping
- Complete Shipping Document or Packer Document/Manifest
- Ensure all cattle have lot and EID tags
- Reading tags at shipping is not required

*Optional MICRO PVP Program Tags may be purchased from Micro Beef*
